Payment Method

Payment is to be by debit or credit card please. If you chose credit card, there will be an **additional charge of 3%** to cover the transaction fee at cost.

5% discount on annual tickets

Purchase a ticket at the start of the school year for all three terms with a debit card, and receive a **5% discount**. Use a credit card, and it is the same as a 2% discount (5% off + 3% credit card fee). This discount is already reflected in the **between-schools annual ticket price of £150**.

Mornings only / Afternoons only

AM or PM only tickets are available at three-quarters the full-time rate (rounded up).

Summer term exam tickets

In the summer term these tickets allow travel on the bus up until half-term. They suit passengers taking public exams. The tickets are available at three-quarters normal rate (rounded up).

Sibling discounts

Discounts of **between £20 and £40 on full tickets** for the first brother or sister booked on the bus at the same time, with the same address. The discount doubles for the next sibling, doubles again for the fourth child. The fifth child travels free.

For example (Chalgrove): Child 1 pays a full fare of £330, child 2 pays £300, child 3 pays £270, child 4 pays £210.

Custom travel

You can customise a ticket if you wish, and here's how.

There are 10 travel slots per week - Monday to Friday mornings, and Monday to Friday afternoons. Choose up to four slots, and pay 16% per slot (rounded up). Choose five to seven slots and pay 14% per slot (rounded up). If you require eight or more slots, you need to purchase a full ticket. For example: Full fare is £300. A slot at 16% of £300 is £48. Travelling on two mornings and one afternoon each week is three slots and costs 3 x £48 = £144 per term.

Cancellation / Refunds

Once term starts there is no refund for that term. A cancellation of a ticket before term starts will incur a £25 admin charge. For annual tickets, unused terms are refunded less the admin fee and less the discount. The formula is:

$$\text{Refund} = \text{Annual_Price} - (\text{term_price multiplied by the number of terms used}) - £25 \text{ admin.}$$

For full details of refunds, and the refunds table, please see the website.

Replacement tickets

Will cost £10.
